# ArcGov – PhD thesis

- Article one: State of the art - Chinese investments abroad
- Article two: Norwegian perspectives on Chinese investments
- Article three: Cases of Chinese economic interests in the Arctic
- Article four: How do Chinese investments influence and contribute Arctic governance mechanisms?

My job is still to ask questions

# Article 1 – State of the art

- Why Chinese investments?
- Why the Arctic?
- What does theory say?
  - OLI-paradigm
  - Internationalization motivations
  - How do institutions matter?
- The road ahead
